ENTER THE YOUNG

*Here they come,
Some are walking, some are riding
Here they come,
And some are flying, some just gliding,
Released after years of being kept in hiding
They're climbing up the ladder rung by rung.*

*Here they come,
Some with questions, some decisions
Here they come.
And some with facts, some with visions
Of a place to multiply without the use of divisions
To win a prize that no one's ever won.*

*Here they come,
Some are laughing, some are crying
Here they come.
And some are doing, some are trying,
Some are selling, some are buying,
Some are living, some are dying,
But demanding recognition one by one.*

*Enter the young,
Yeah, they've learned to think
Enter the young,
More than you think they think.
Not only learned to think but to care,
Not only learned to think but to dare.
Enter the young.*

Terry Kirkman, copyright 1966, Beachwood Music Corp.

BOTH SIDES NOW

*Rows and flows of angel hair
And ice cream castles in the air
And feather canyons ev'rywhere
I've looked at clouds that way*

*But now they only block the sun
They rain and snow on ev'ryone
So many things I would have done
But clouds got in my way*

*And now old friends are acting strange
They shake their heads, they say I've changed
But something's lost, but something's gained
In living ev'ry day*

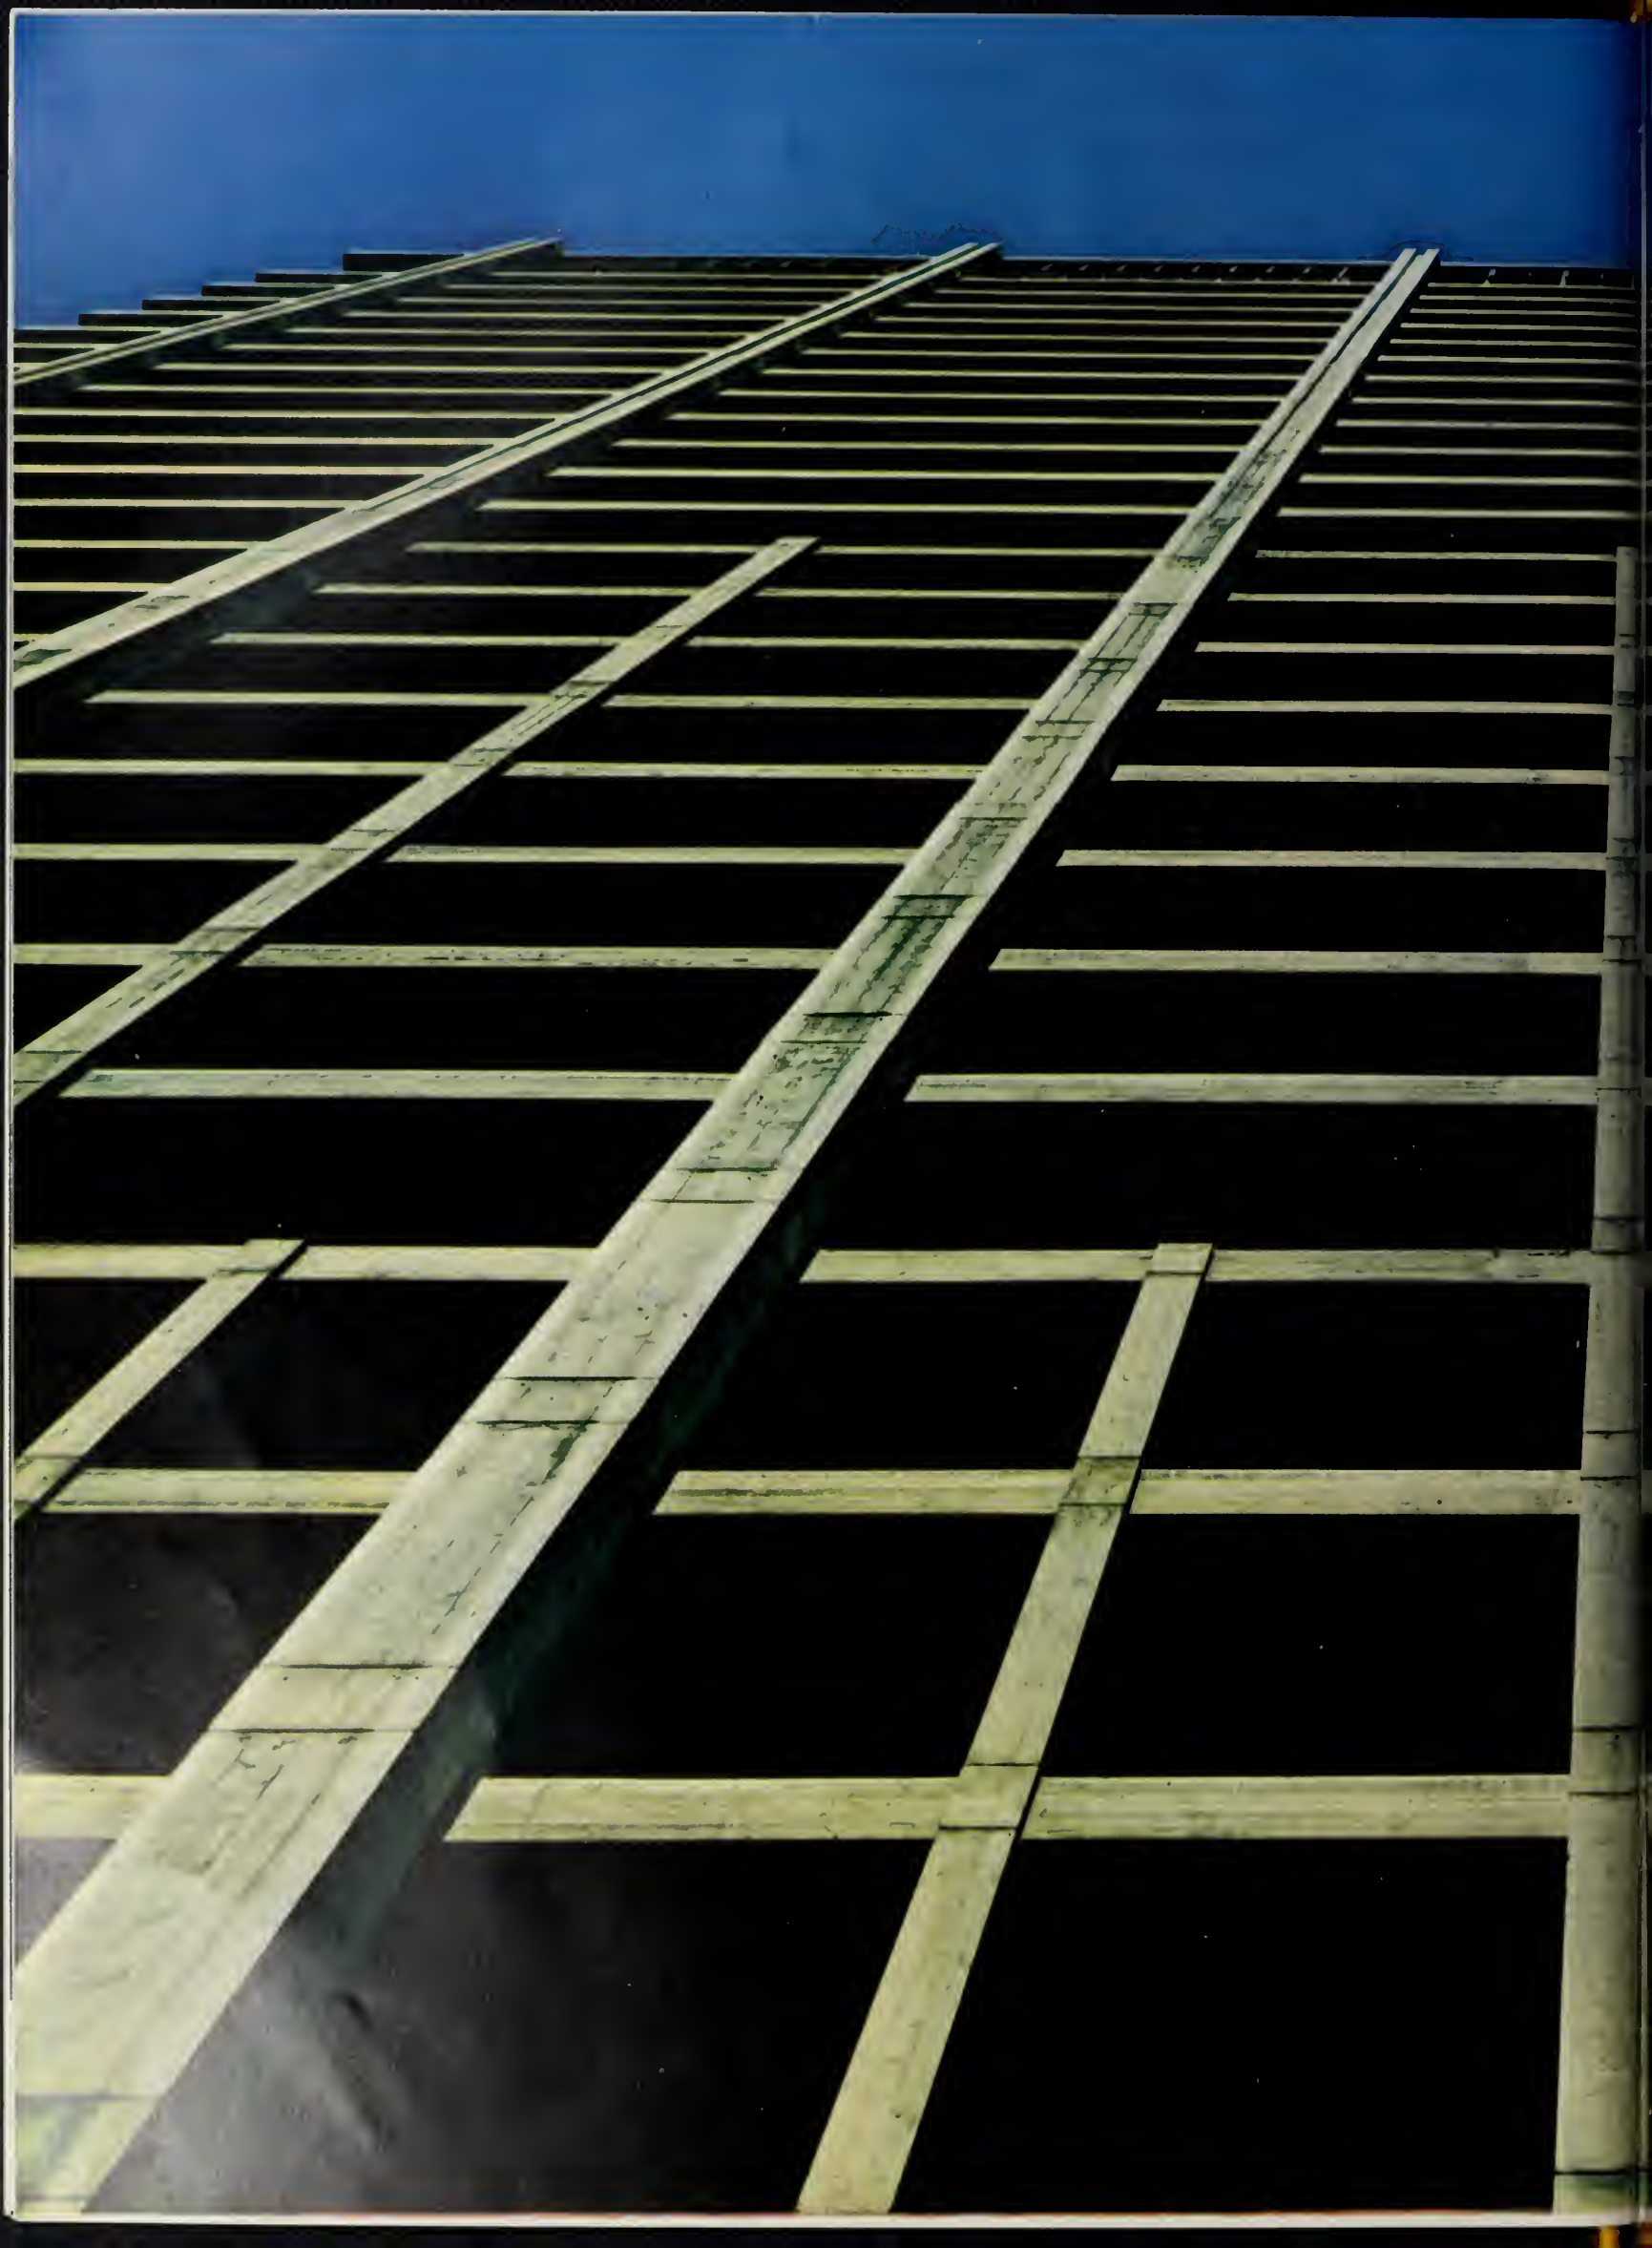

*I've looked at life from both sides now
From up and down, and still somehow
It's life's illusions I recall
I really don't know life at all*

FOR WHAT IT'S WORTH

*There's something happenin' here
What it is ain't exactly clear.
There's a man with a gun over there,
Tellin' me I've got to beware.
It's time we stop, children,
What's that sound?
Everybody look what's goin' down.*

*There's battle lines bein' drawn,
Nobody's right if everybody's wrong.
Young people speakin' their minds,
Gettin' so much resistance from behind.
It's time we stop, children,
What's that sound?
Everybody look what's goin' down.*

*What a field day for the heat.
A thousand people in the street,
Singin' songs and carryin' signs.
Mostly saying, "Hooray for our side."
It's time we stop, children,
What's that sound?
Everybody look what's goin' down.*

*Paranoia strikes deep,
Into your life it will creep.
It starts when you're always afraid,
Step out of line, the Man come
And take you away.
You better stop, hey,
What's that sound?
Everybody look what's goin' down.*

MORATORIUM DAY, NOVEMBER 14, 1969, was to be set aside as a day of speeches and discussions concerning the war in Vietnam. Some listened, some talked and some simply ignored the proceedings and continued with their normal activities.

WINDY

*Who's peeking out from under a stairway
Calling a name that's lighter than air
Who's bending down to give me a rainbow
Everyone knows it's Windy.
Who's tripping down the streets of the city
Smiling at everybody she sees
Who's reaching out to capture a moment
Everyone knows it's Windy.
And Windy has stormy eyes
That flash at the sound of lies
And Windy has wings to fly
Above the clouds, Above the clouds.*

THE SOUND OF SILENCE

*Hello darkness my old friend,
I've come to talk with you again,
Because a vision softly creeping,
Left its seeds while I was sleeping
And the vision that was planted in my brain
Still remains within the sound of silence.*

*In restless dreams I walked alone,
Narrow streets of cobble stone
'Neath the halo of a street lamp,
I turned my collar to the cold and damp
When my eyes were stabbed by the flash of a neon light
That split the night, and touched the sound of silence.*

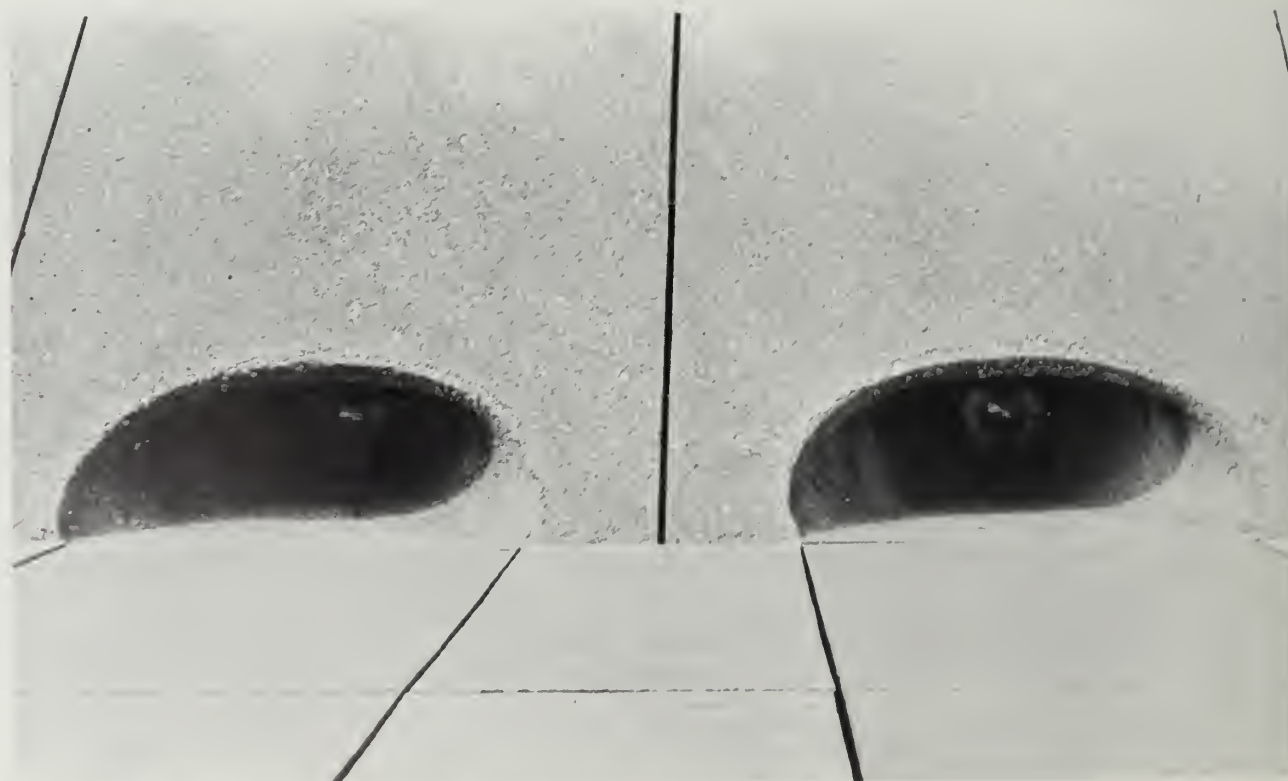

*And in the naked light I saw
Ten thousand people maybe more,
People talking without speaking,
People hearing without listening,
People writing songs that voices never share
And no one dares disturb the sound of silence.*

*"Fools!" said I, "You do not know
Silence like a cancer grows.
Hear my words that I might teach you
Take my arms that I might reach you."
But my words like silent raindrops fell
And echoed, in the wells of silence.*

*And the people bowed and prayed
To the neon God they made,
And the sign flashed out its warning
In the words that it was forming.
And the sign said:
"The words of the prophets are written
on the subway walls and tenement halls"
And whispered in the sounds of silence.*

HOMECOMING. Homecoming 1969 literally started off with a bang this year when the Friday night program, Trash of the 30's presented film highlights of Madame Bellodonna being shot from a cannon. And who could forget the tender and heartrending death scene in the featured film, "Air Police", (Andy . . . Jerry . . . Andy . . . Jerry). Special guest star Senorita Songbird's presence added immensely to the entertaining program. The high point of the evening was the New Year's Eve celebration complete with an actual recording of Guy Lombardo's immortal rendition of the classic Auld Lang Syne.

Saturday's activities began with the annual homecoming parade through the streets of downtown Chicago, followed by the game with the University of Wisconsin at Milwaukee which took place at Soldier's Field. The homecoming activities culminated at the dance Saturday night with the crowning of the queen, Ynonne Jursik, attended by her court.

The academic atmosphere of Circle Campus allows ample opportunity to hear many noted speakers on a wide range of topics. Among those visiting our campus this past year were Secretary of Housing and Urban Development, George Romney and Reverend Vivian on a Model Cities Seminar, Alderman Leon DuPres of the Chicago City Council, Julian Bond and Governor Richard Ogilvie.

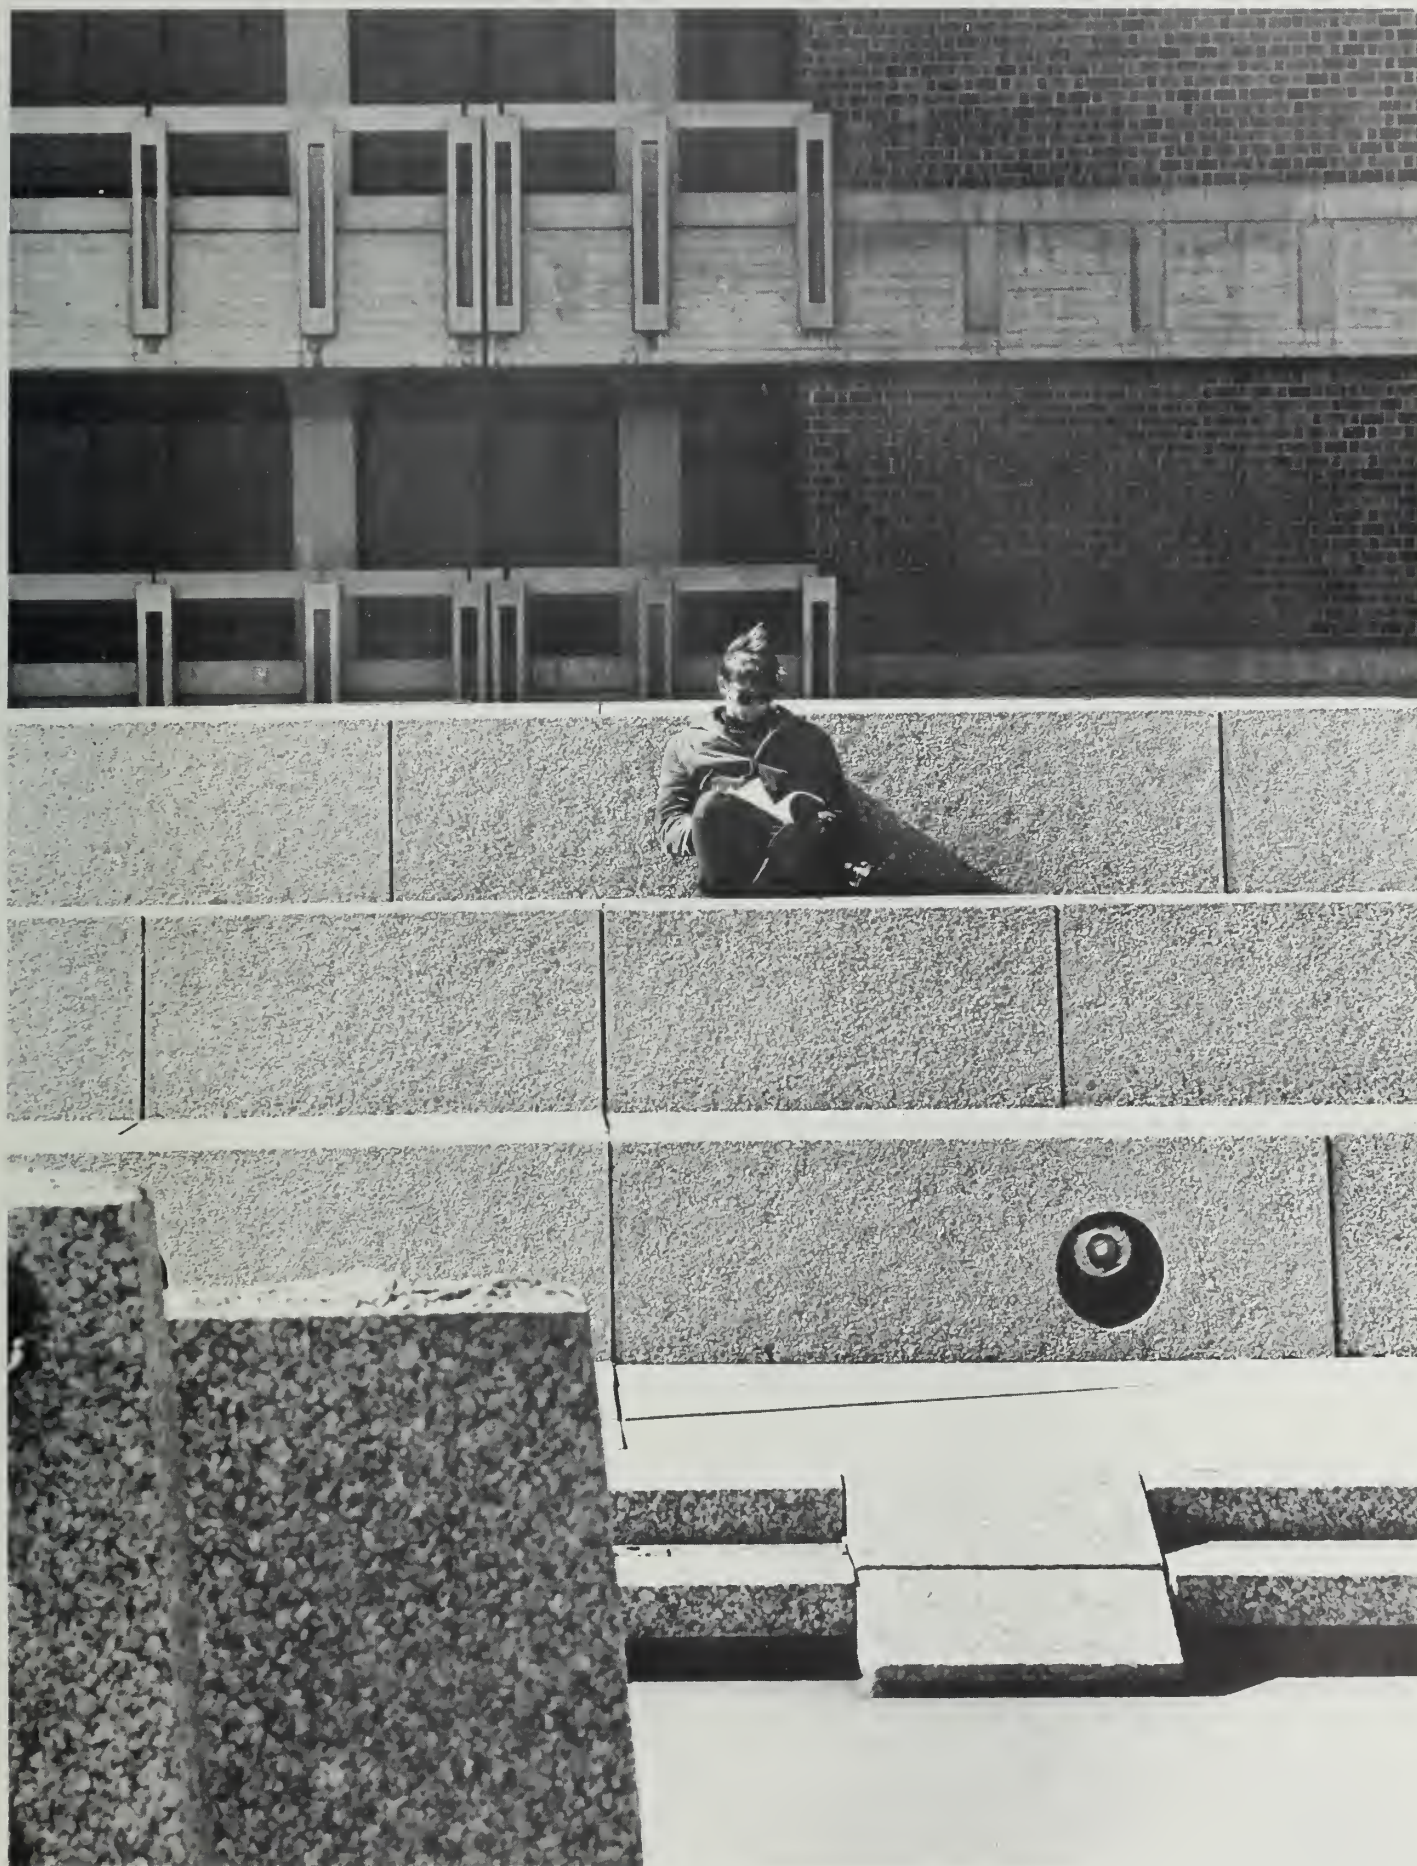

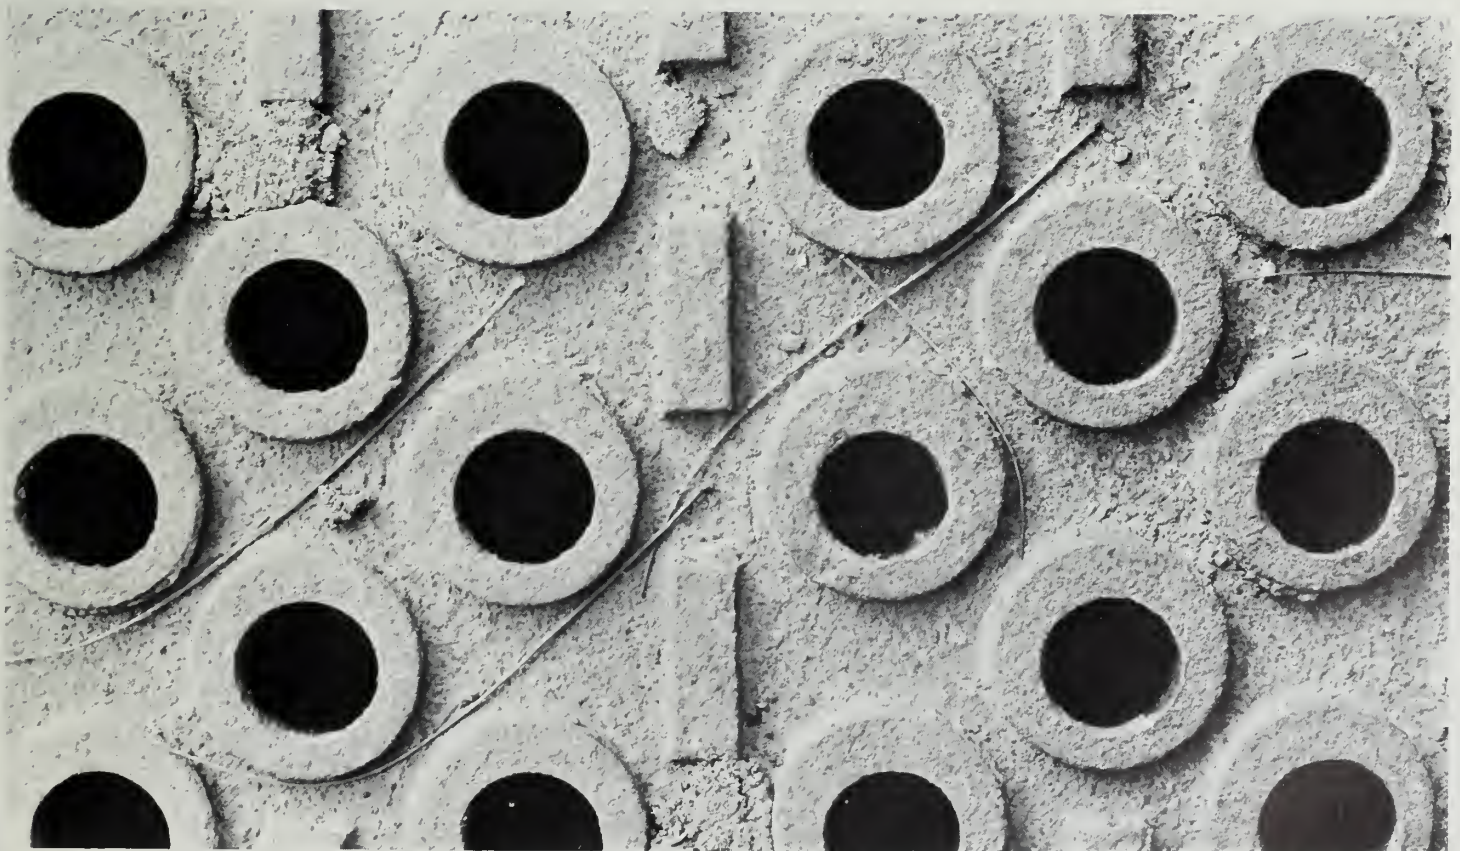

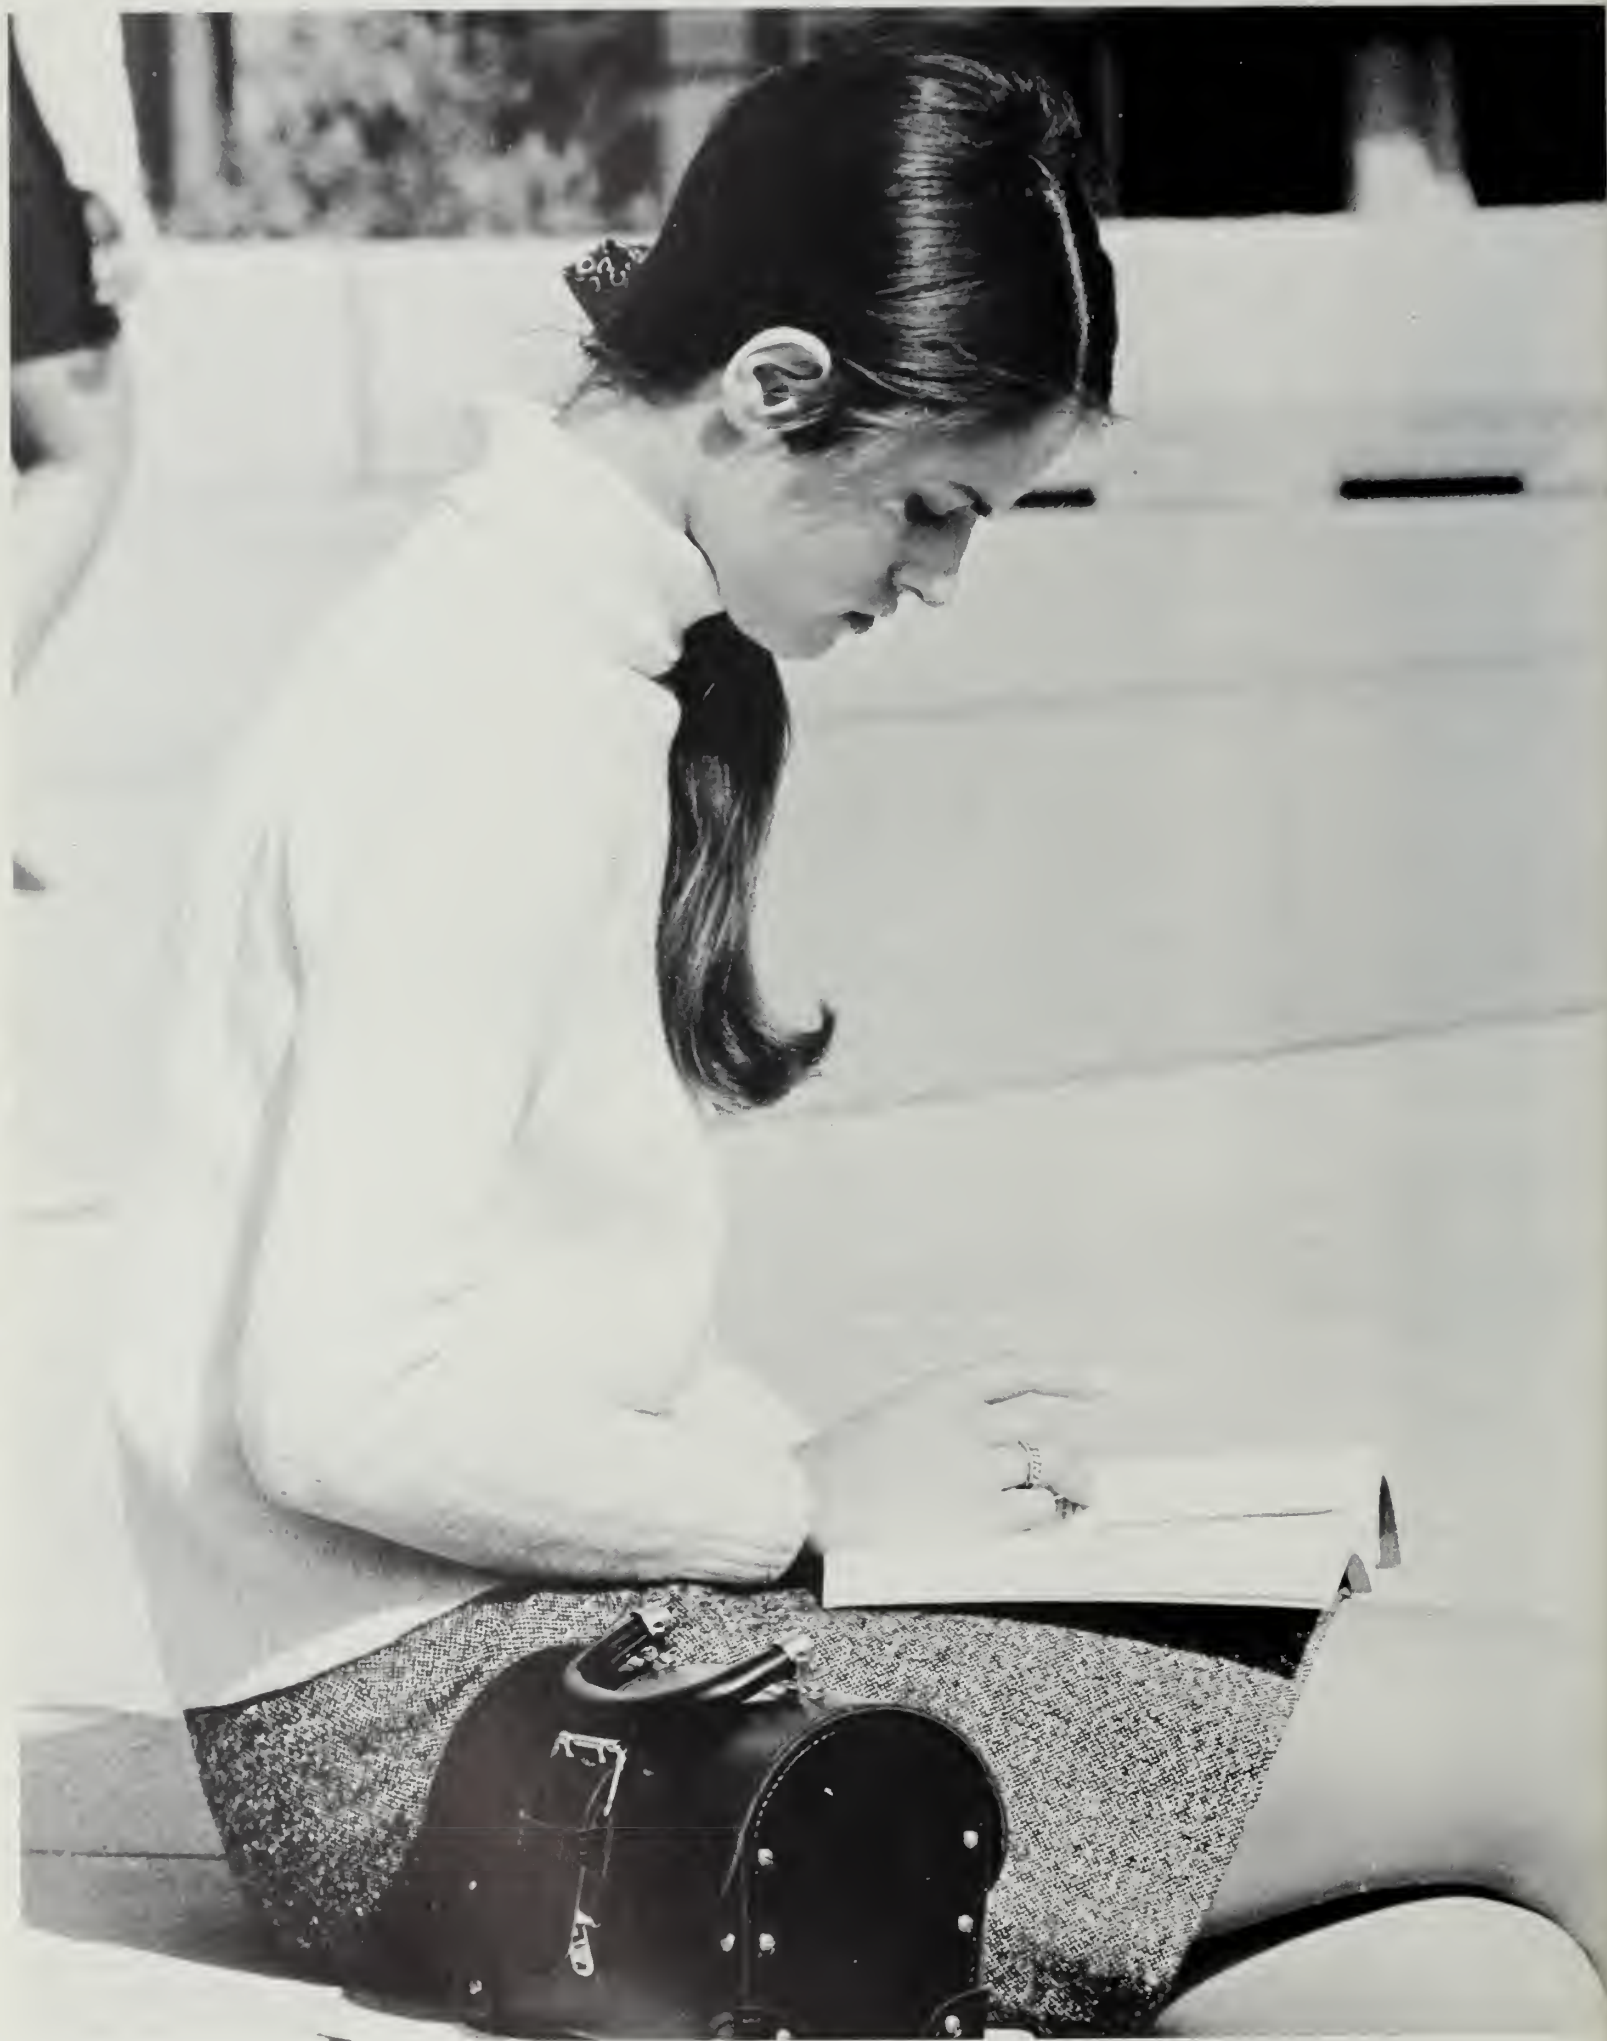

The Rites of Spring hit the Circle campus during the week of May 26, 1969. The brain-child of the Inter-Organizational Council, the Rites of Spring transformed the campus into an area of serious and fun-filled affairs. Chancellor Parker and a "cast of thousands" officially opened the week long festivities with a ribbon cutting ceremony at the Ampitheater. Also featured were an old fashioned calliope, balloons, clowns and of course, gold-fish eating. Let it not be forgotten that for one brief shining moment, college fun came to our campus.

THE AGE OF AQUARIUS

*When the moon is in the seventh house
And Jupiter aligns with Mars,
Then peace will guide the planets
And love will steer the stars.
This is the dawning of the Age of Aquarius . . .
Harmony and understanding,
Sympathy and trust abounding,
No more fighting and derision,
Mystic crystal revelations
And the mind's true liberation.

SPORTS

FOOTBALL

Faced with rebuilding the Chika football team, Harold Nemoto, in his first season as Head Coach, had to fortify the sparsely-experienced ranks with many freshmen and sophomores. Returning lettermen, Seniors Dan Zajac, rated last year's best defensive lineman, and Greg Fiala, the team's leading tackler, led the Chika defense again this year. Bob Anderson emerged as the Chika's top running threat and led the team in rushing. Many starters were sidelined with injuries, including halfback Jim McNellis, possibly the greatest loss to the team which finished with 1-7 record. The Chikas averted a winless season by defeating St. Procopius in the final game, leaving them on a winning note for next year.

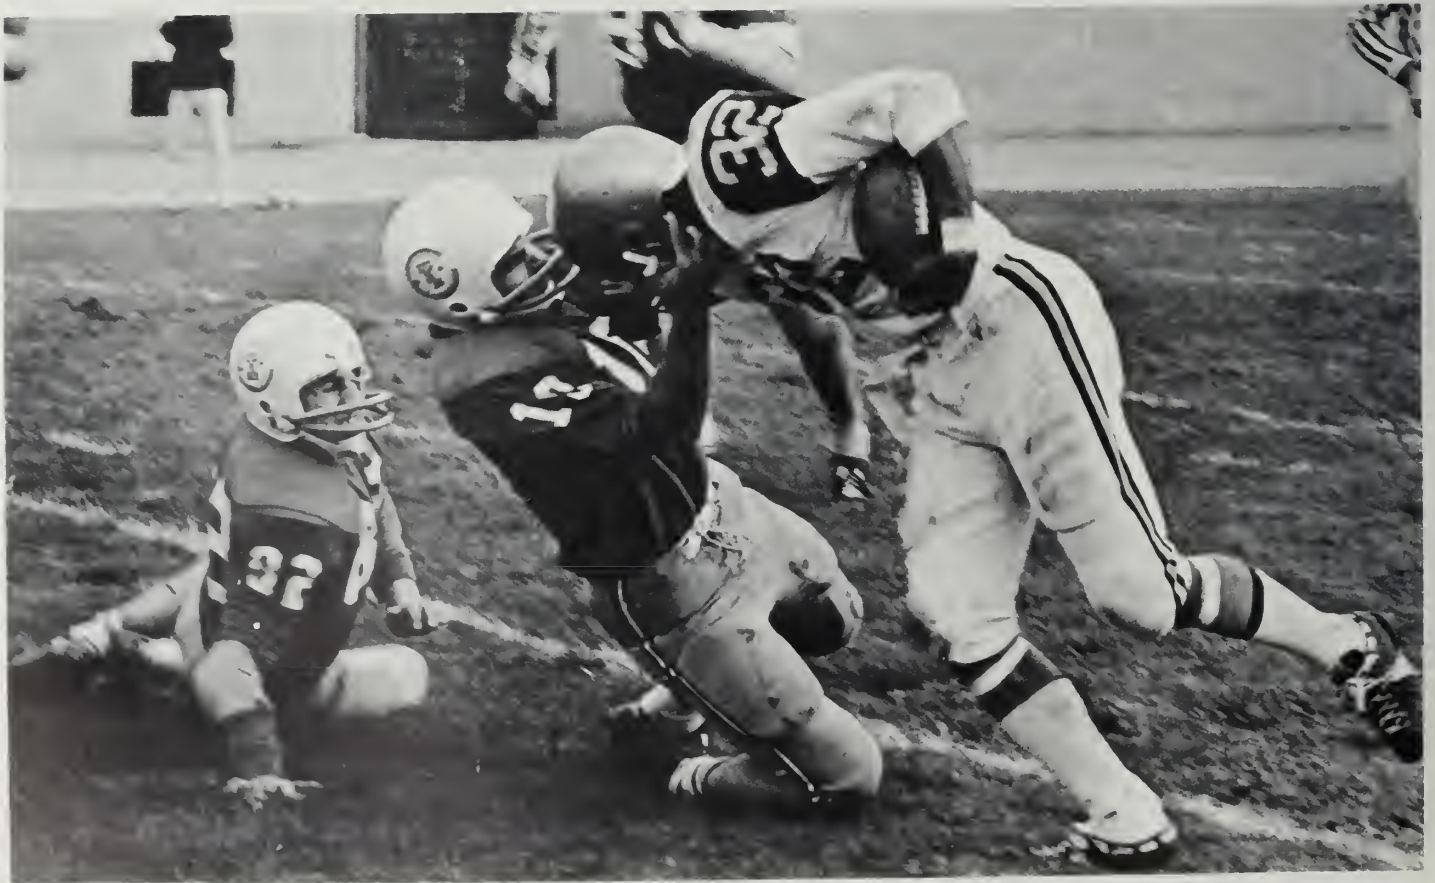

RIGHT: Big Walt Filipowicz says "No" to U. of Wisc.-Milwaukee runner. *BELOW AND ACROSS:* Quarterback Fisher sets . . . and unloads.

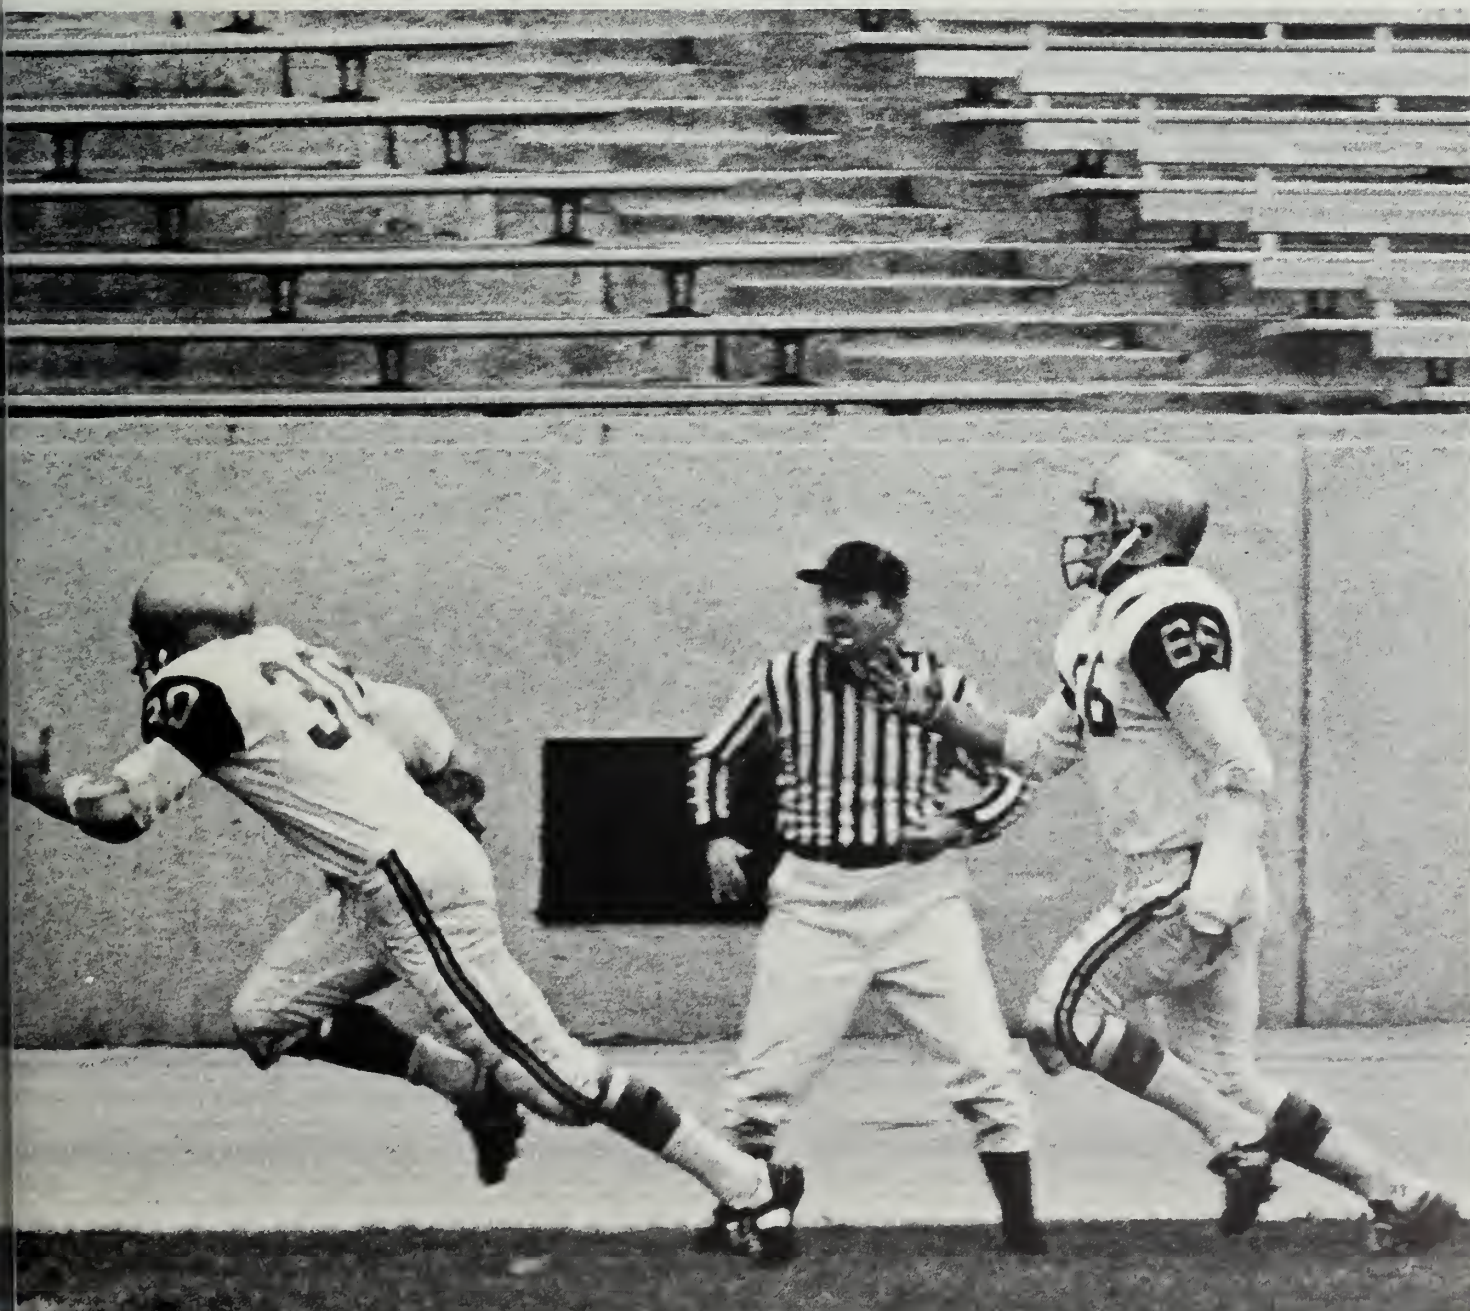

LEFT: The fullback squirms, but Alex Sigalos gets his man.

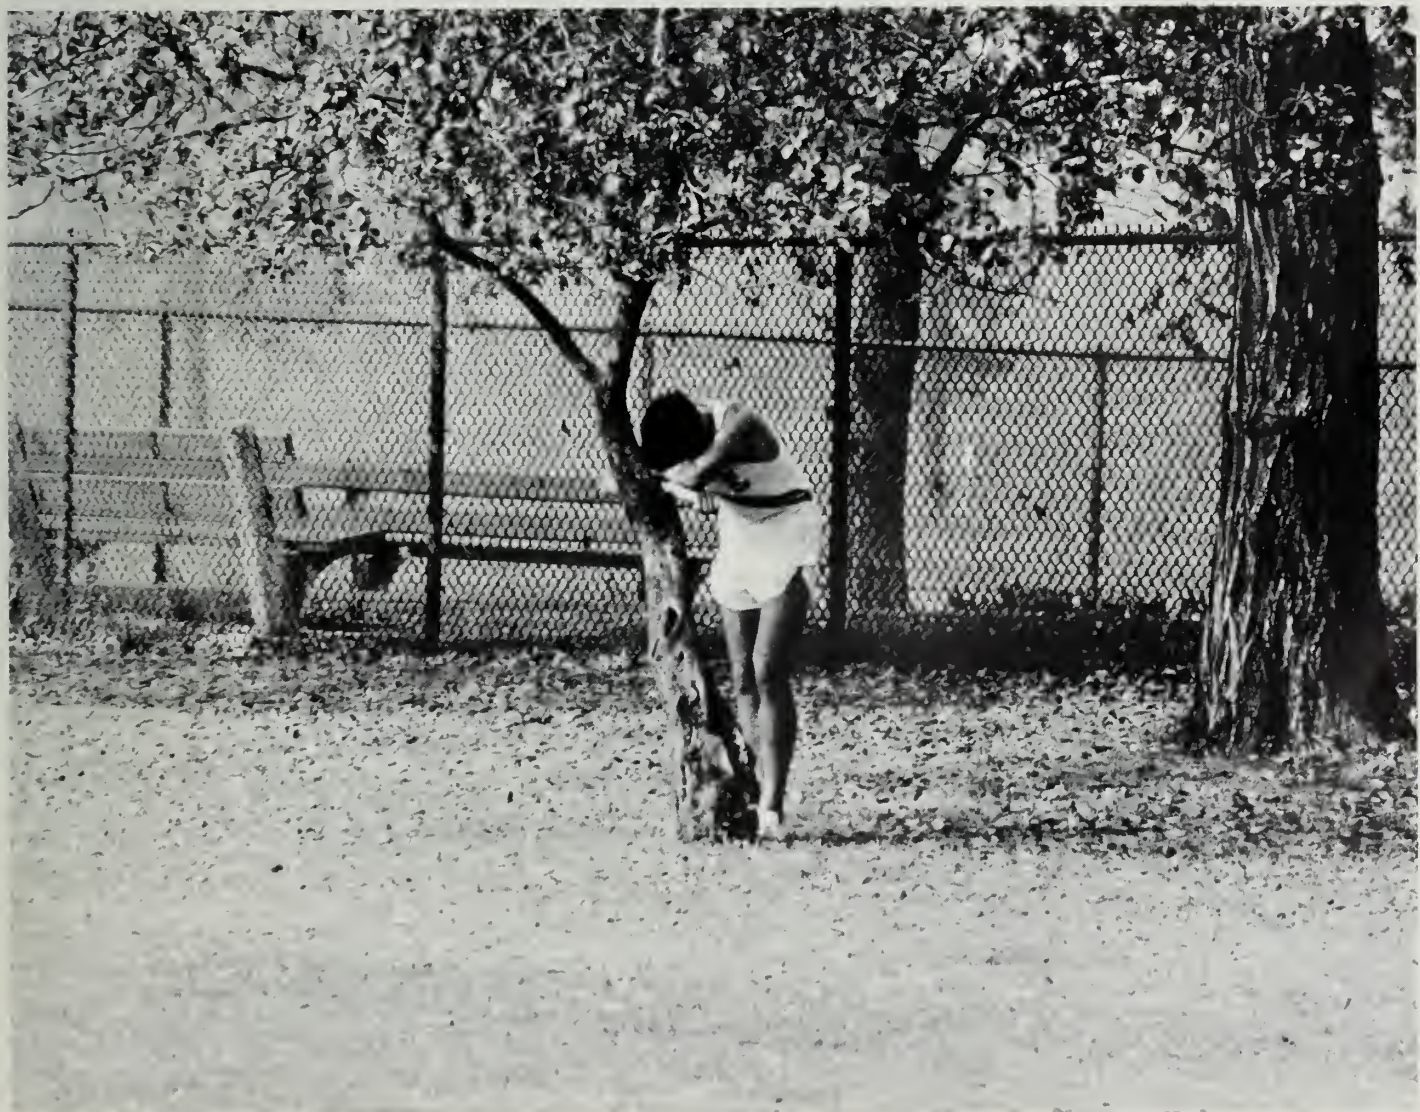

ABOVE: Leading the pack has always been Ed Koval's specialty. *UPPER LEFT:* Pain is evident on Tom Moylan's face as he strives for the finish line. *UPPER RIGHT:* Arthur Bodganove sets the pace for the Chika harriers to another successful season.

CROSS COUNTRY, "loneliness of the long distance runner" is exemplified by the U.I.C.C. Cross Country Team under the leadership of Bill Leach, in his first year as coach; the team concluded the season with a respectable 8-6 dual meet mark. Again Arthur Bogdanove proved to be the team's outstanding individual runner by being elected team captain and Most Valuable Runner. The Most Improved Harrier award was presented to Tom Moylan.

SOCCER

The Chika booters finished the season with a 9-3-2 record under the leadership of coach Samuel Donnelly, who assumed the head post after two years as assistant coach. Donnelly has twenty-four years of playing and coaching experience behind him.

Eleven lettermen returned this season including the second leading inside-scorer Jerry Kostik. 1969 sport letter winners included: Dennis Fishwick, Phil Naylor, and Murat Shekem. George Domino was honored as the outstanding player on the soccer team.

HOCKEY

A tough schedule faces the Chika Hockey team this year after having had a 12-4 record last season and winning the Midwest Intercollegiate Hockey League. They will be opposing the U. of I. at Urbana, Purdue, Northwestern and Ohio University, a very impressive list of adversaries. Returning lettermen Rich May, Clive Wang, Don Moss, Roger Heikkila, team captain, Tony Palti and Rich Wojcik are giving the team excellent experience and ability. Experience and depth in personnel are the primary weapons which should give the Chikas a good season.

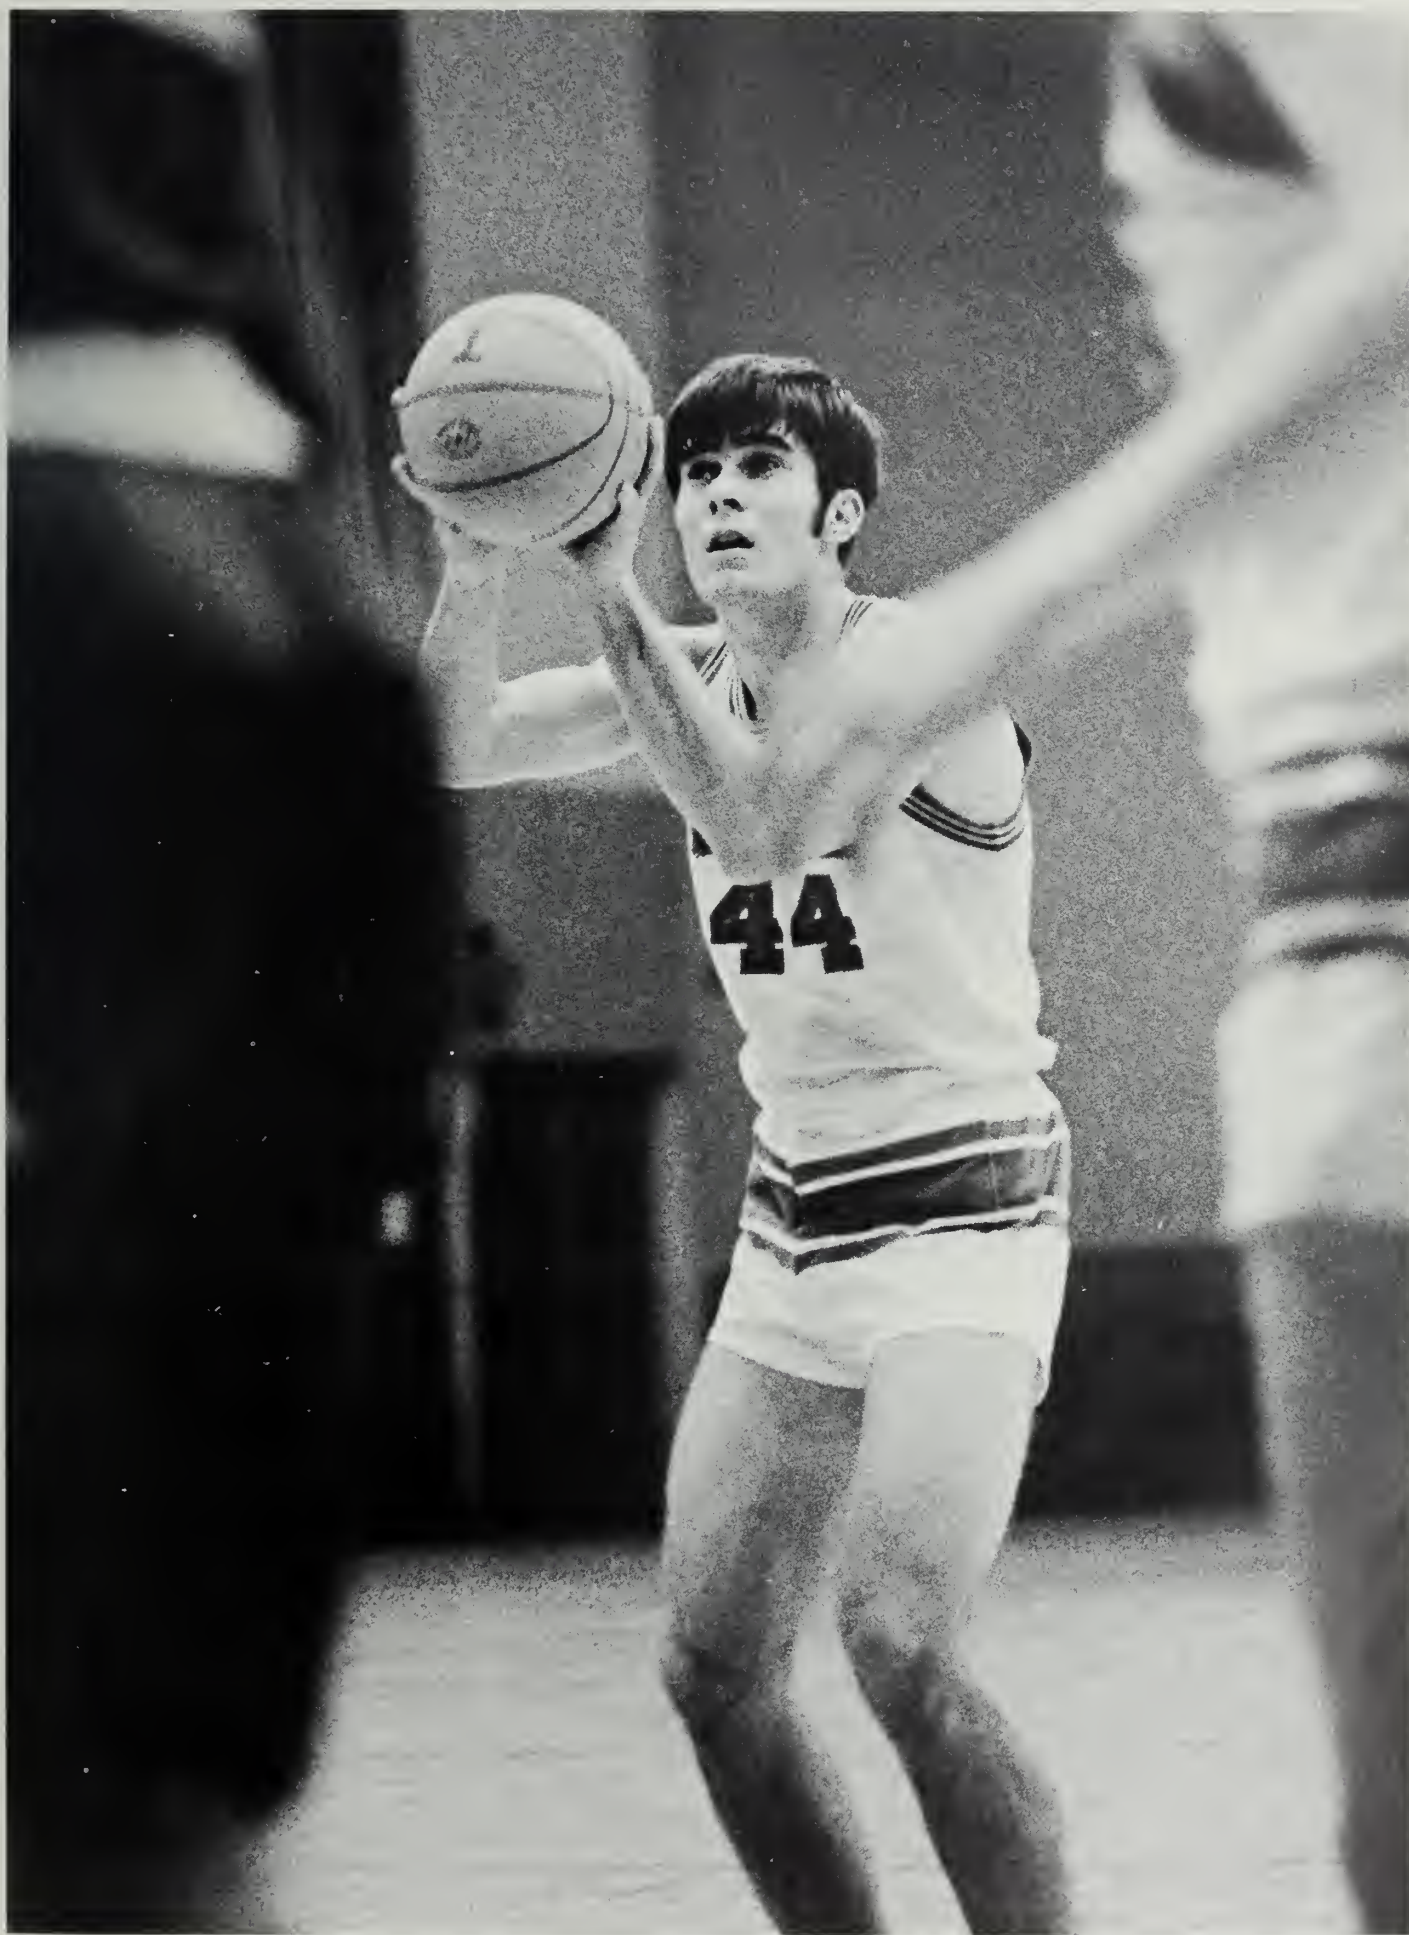

BASKETBALL

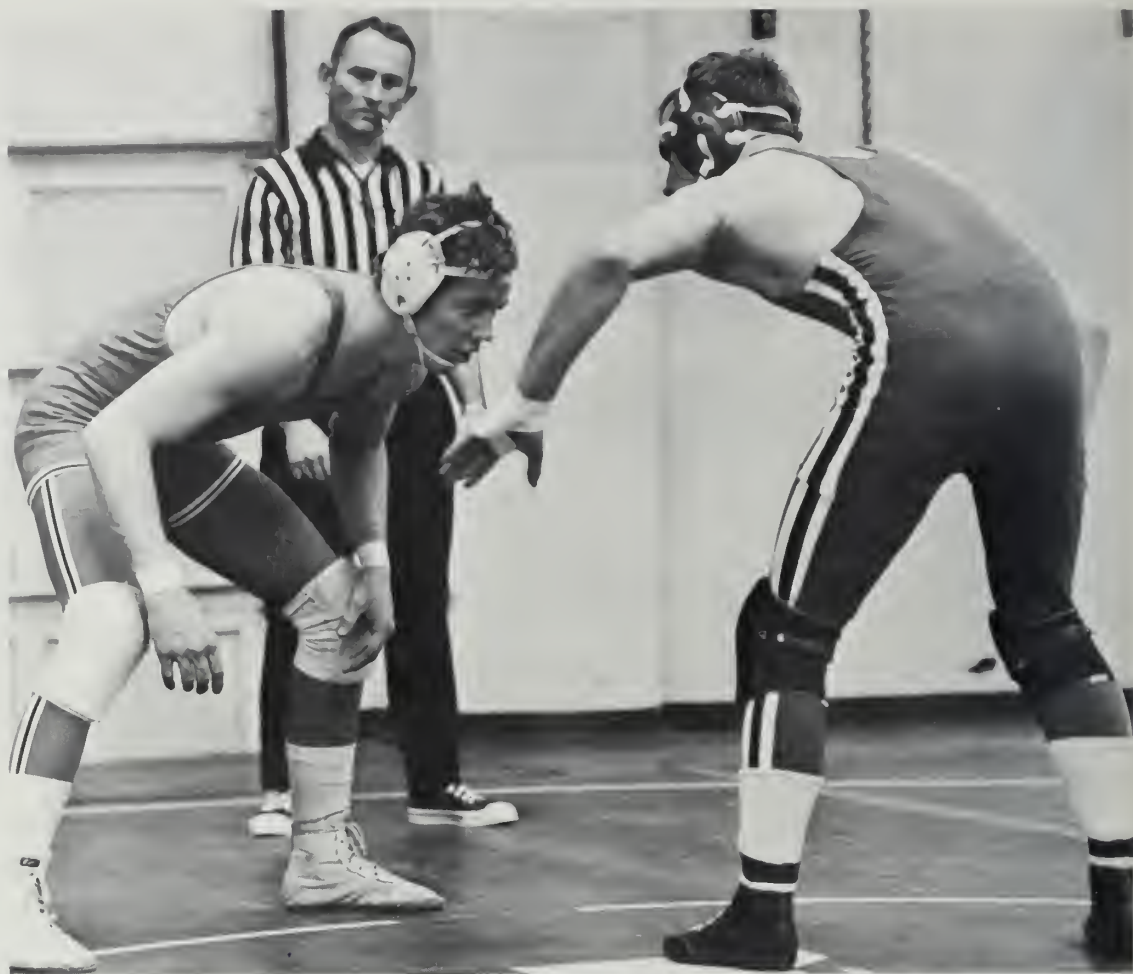

Winning the Wisconsin-Milwaukee Holiday Tournament increased chances for one of the best seasons for Coach Tom Russo and his fast-breaking team. Much pressure is on Greg Olsen, the team's most valuable player and the school's "Athlete of the Year," to continue last year's record-breaking performance when he scored 426 points in a single season. The team lacks sufficient height and must compensate this with speed which is their most important asset. Rich Czyz and Chuck Manson are returning to help Olsen improve last season's 11-11 record.

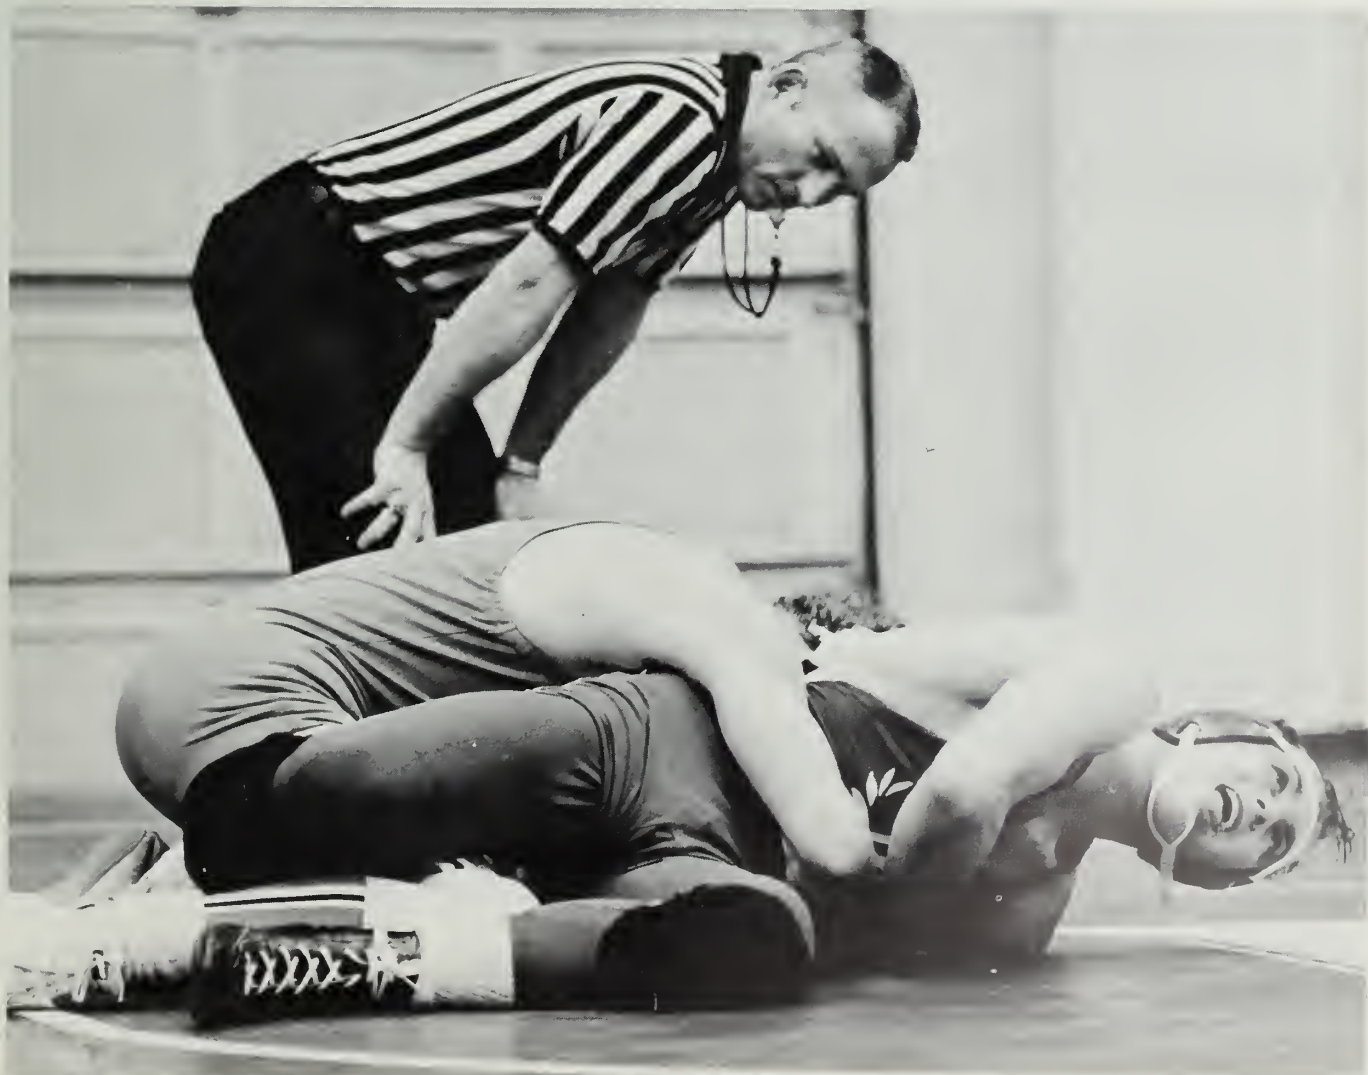

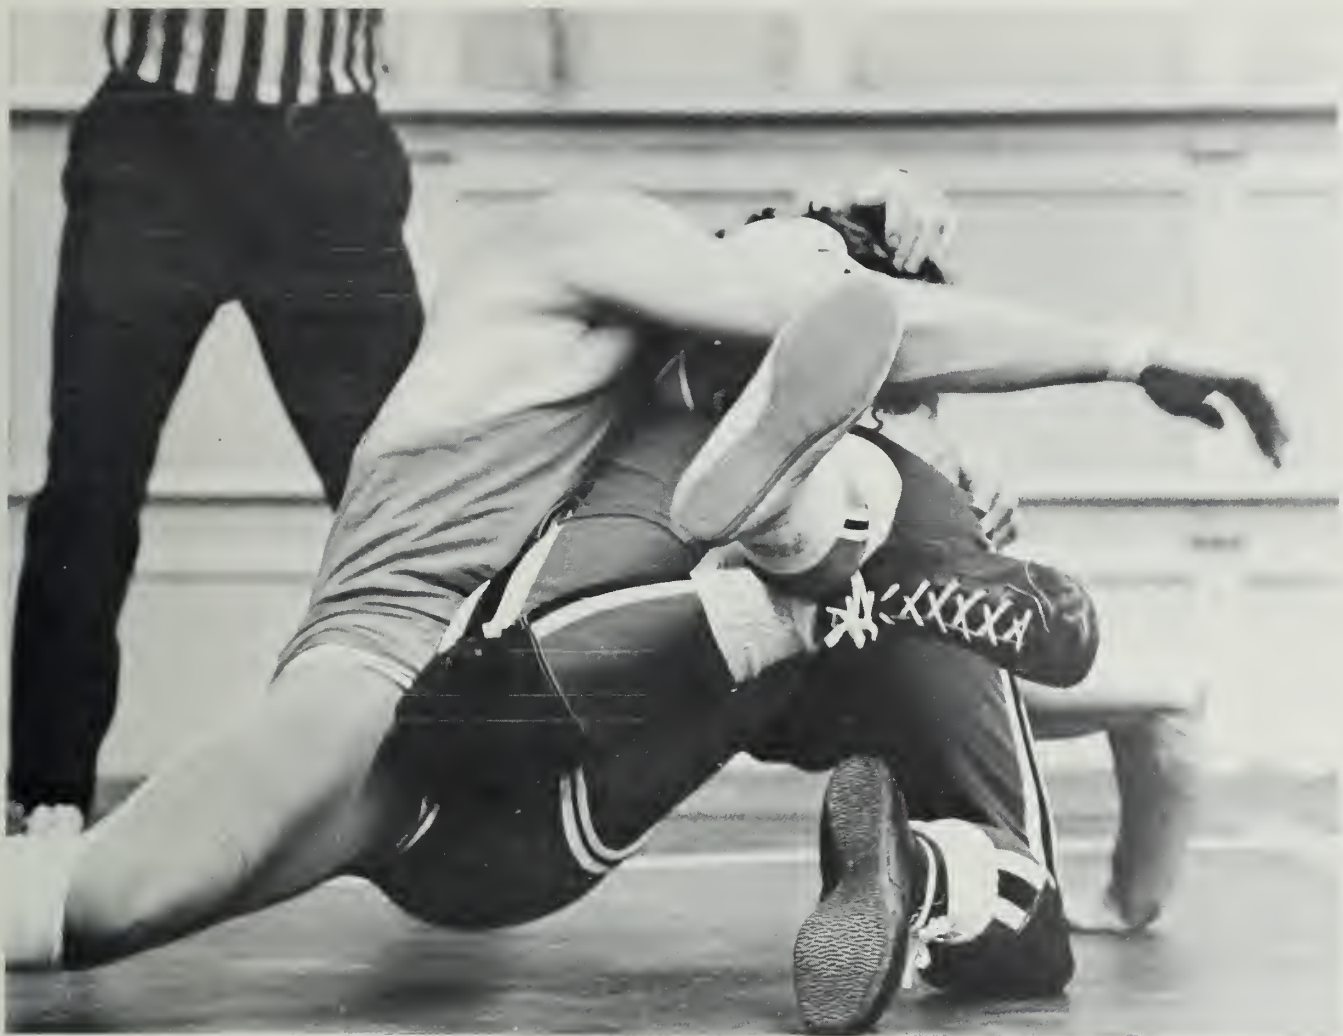

WRESTLING. Grappling their way through a very competitive season, the Chika Wrestling team under the guidance of Coach Matt Ellsworth hopes to improve on last years 3-10 record. Leading the returning lettermen is team captain Tom Mordue who is joined by Joe Siprut, last seasons top wrestler with a 14-9-1 record. Ken Predovic and Leroy Magas also return to strengthen the team with their experience and perseverance, which enhances the Chikas chance for victory.

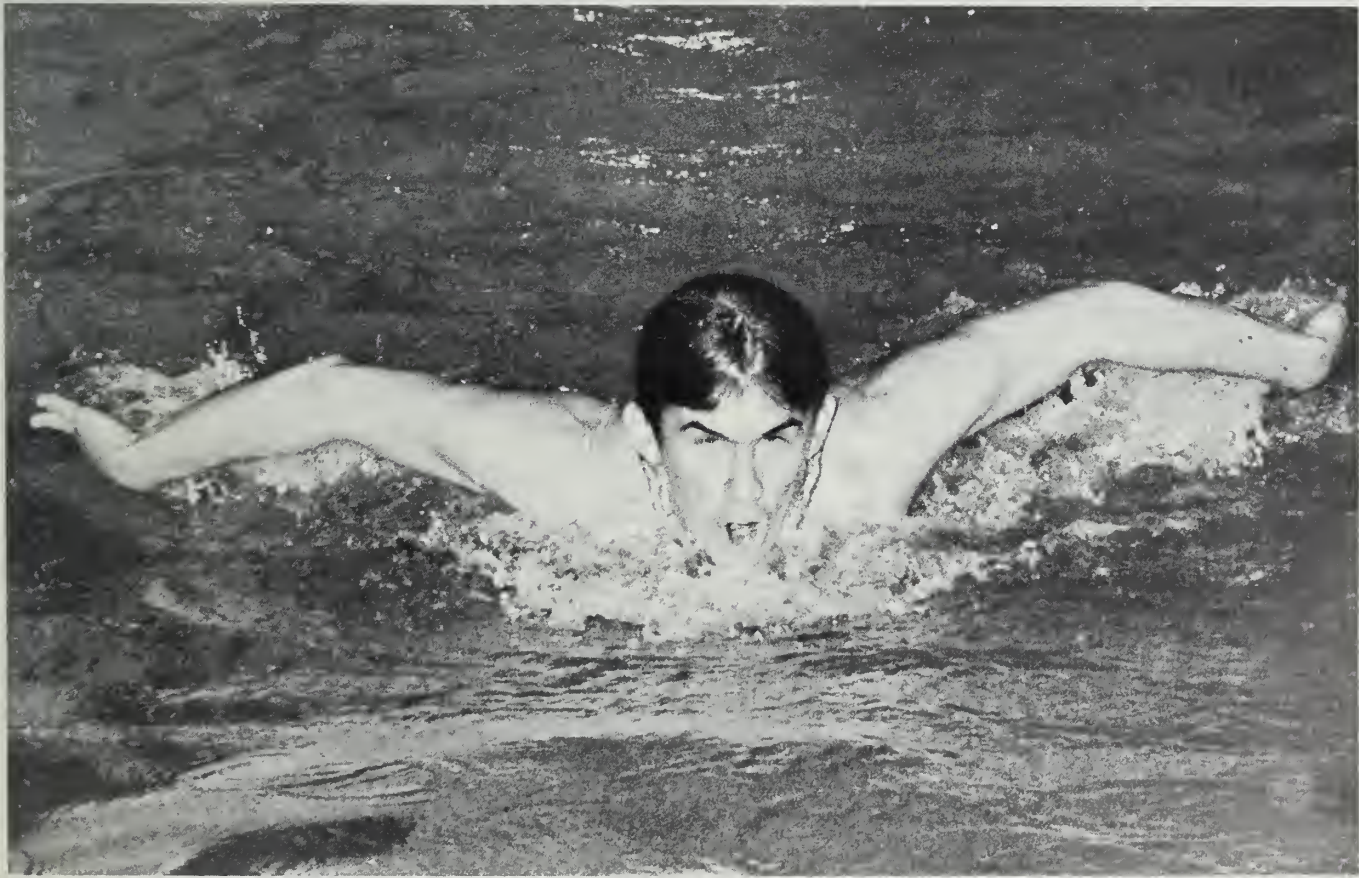

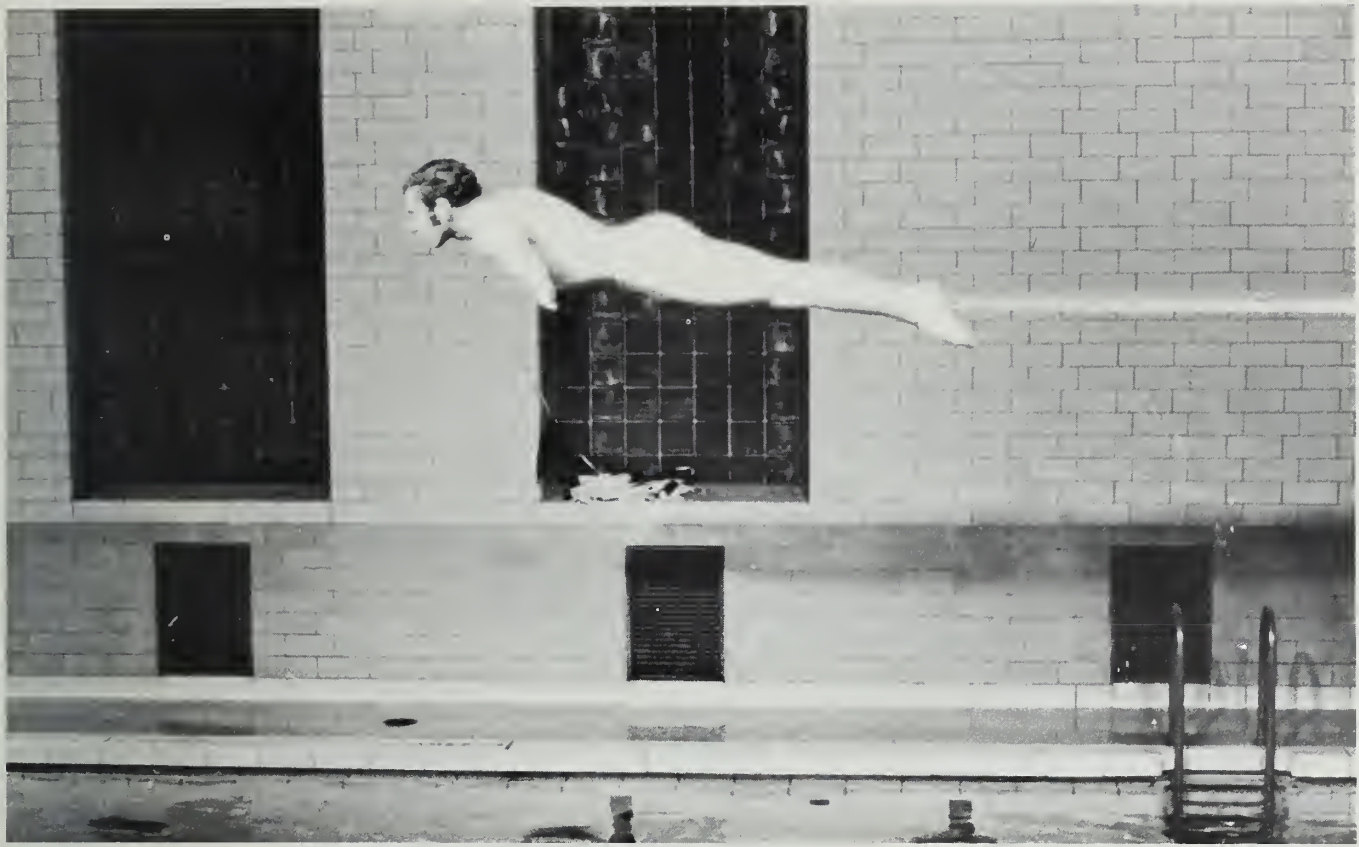

SWIMMING. Splashing their way to a disappointing 3-11 record last season, the Chika mermen are hopeful of some improvement this year. There will be six returning lettermen including Ralph Pranc, top freestyler, John O'Neal, Gary Dworski and George Philosophos who are divers. Again a process of rebuilding must be accomplished before any successful season can be achieved.

BOTTOM: Hurling himself through the air like a ball, George Philosophos exhibits the fine form characteristic of a good diver.

GYMNASTICS. Hoping to continue last seasons winning record of 11-5, Coach Bill Roetzheim and the Chika gymnasts face the toughest gymnastics schedule in the school's history. They will be competing against four Big Ten and five nationally ranked teams. The West German All-Stars, composed of top gymnasts from West Germany, barely defeated the Chikas by a score of 160.35 to 154.15. Roger Fish, who specializes in the side horse, and Bob Laschober, team captain, return to strengthen the team which suffers the loss of top performers John Schrammel and Jim Schaefer. The rings and high bar appear to be the strongest events for the Chika gymnasts this season and may provide the needed points to win.

TENNIS. Tennis had a fair season last year at the Circle under the able leadership of Coach Bob Beck. Bob Boggio, the team captain, proved to be the number one man. Two players graduated last June, but this loss is not expected to harm the team's performance. Mark Pearlstein, Bill Lehnebach and Ron Michalek are the returning lettermen and the nucleus of the team. Hopefully some new recruits will strengthen the team and give the Chikas a good record on the tennis court.

BOTTOM: Reaching to hit the ball, Bob Boggio demonstrates his fine ability and prowess on the court.

GOLF. Again the Circle linksters had another undefeated season last year under the fine coaching of Dick Rader. Stretching their string of victory to four years of wins with only one loss, the team exhibited the Chika spirit. The loss of Jim Urban and Bob Augustine, 1969 Co-Captains, is a heavy burden for the team since they are the major force in the successful seasons. Hope relies upon returning lettermen Bill Tucker, Tom Meyer and Tom Cisar to continue the winning tradition. The need for dependable and hardworking newcomers is great since there is a very obvious lack of strength which has to be corrected.

FENCING. With the clashing of foils, the UICC Fencing team had a record of 11-11 last year which Coach Leon Pickens hopes to improve this season. His hopes are heavily placed on Nishimura who was captain and the most valuable fencer last season with a 38-8 record, a very commendable effort. A very rugged schedule confronts the team with such foes as Iowa State, Notre Dame, Michigan State, Ohio State and the University of Wisconsin. Outstanding performances will be needed to get the points necessary for successful year.

BOTTOM: Touche is the word most commonly heard when a Chika fencer touches his opponent with his foil.

TRACK AND FIELD. Last year the Circle cindermen did not have an impressive season with losses outnumbering the wins though several outstanding performances were witnessed. Under Coach Tom Wright's guidance, the team must undergo a rebuilding program. Several lettermen are returning to strengthen the team especially Art Bogdanove, distance runner, and Joe O'Hearn, high jumper, who proved to be last season's star performers. Joe O'Hearn and sprinter Jeff True are the team's only four year track competitors. Rich Jilek, Rich Nitti, Dennis Ostapczuk, Mike Preim and Glen Preston add more power to the nucleus of the squad. The cindermen are relying upon several promising newcomers to provide the necessary depth of personnel for a winning season.

LEFT: Dennis Kellogg, 1969 Track Co-Captain, strives to condition his body to prepare himself for the rigors and agony of a runner.

ABOVE: The deafening crack of the starting pistol will send Jeff True on his quest to beat the clock and gain a lead for his fellow relay runners.

The women's athletic department offers many and varied activities for all women attending the University of Illinois at Chicago Circle. Both intramural and extramural activities including softball, swimming, bowling, fencing, badminton and field hockey are offered.

In the intramural phase of women's athletics, the women have achieved impressive victories in fencing and volleyball. Girls, you don't have to be a physical education major to appreciate the fun of sports.

INTRAMURAL SPORTS. Intramural sports seek to provide opportunities for all students to participate in organized and vigorating athletic contests. The program allows any student to chose activities which would appeal to him. Over fifty meets in individual or group activities are offered each year. Baseball and football are among these exciting experiences. John Felkamp exemplifies the sporting spirit of the Circle students as he slams the ball for another hit. Spectators, particularly the girlfriends of the participants, also get involved in the action.

As this final page of Circle 70 is being sent to the printer, we pause to breathe the traditional sigh of relief. But, that pause is short-lived. As an institution in this community our existence is still fragile at best. We've managed to put out in our own small way what I believe is one of the few concrete examples of student power on this campus. Many of us have served on the yearbook staff with one eye on the present year's work and the other to the future. We want the yearbook to continue as an institution serving the university. To us it represents one small but much needed unifying element for the transient student body. Remember what it takes to accomplish anything on this campus. Although we are leaving UICC, the yearbook must continue and so we are working now on the plans for future books. There is nothing harder than trying to institute a tradition where before none existed. But we have tried and will continue to try. Perhaps we, too, have begun with one small step. . .

This book is the result of the combined efforts of a number of people. We want to thank Delmar Printing Company for placing our account in the able hands of Mr. Mike Hackleman and Mr. Ed Hackleman. Their continued assistance has insured the publication of Circle 70 as an improved book. As for Root Photographers and our Senior Portraits, what can we say that already hasn't been said about Mr. Stan Leiberman. Stan has always showed the Circle Yearbook every possible consideration in helping us to meet our deadlines and in providing the senior class with their portraits. Much thanks is due to Mr. F. Gaylord Cox, our advisor, for allowing us the greatest possible latitude in decision making which is so vital to any student organization. This year we have included color photographs for the first time on this campus. All of the color work in Circle 70 was shot by this year's managing editor, Mr. Rich Mather. And any acknowledgement for this book would not be complete without reference to that master of the debit and credit, our business manager, Mr. Jeff Goltz. To all of my staff, my personal thanks. At least we did something while we were here. I hope that our efforts were not in vain.
